This message was given to 2 of the TLIG
Associations. I personally did not know
that there were disagreements and quarrels;
I knew which Associations were concerned
after the vision and our Lord made me
understand who they were.

There was one especially 'bossing' around
everyone, Jesus was not pleased; nor was
he with the others. They risked a fatal
fall and that is why God intervened
out of His boundless Love.

*It means: "cling to Me."

My Vassula: tell Me, is there in
the world or around you anything that
can give your soul more exquisite and
amourous delights than being with Me,
just Me, alone? what does My
Presence give you?
(While I was searching for words to express
myself, I felt the Holy Spirit come upon me ...)
– A foretaste of the Beatific vision;
– A contemplation of Your Glory;
– An indwelling delight, that which is
given to the saints with merits. I have none;
– An intellectual awareness that in Your
transcended light, You, the Godhead, who
fill all things without being contained
by their limits can dwell in me ....
– I find in your Presence, joy, light,
sighs of longing, longing to penetrate

My Beloved has put all His Heart into song out of love for His creation;

He placed harps to echo through the world to Live a True Life in Him; brimming over with Divine Mercy like torrents, He fills every need;

Your Name, O Holy One, most Pure, reached even the most remote people, yes! You have put afire entire nations with Your divine sweetness, preventing the people from sinning and silencing the mutters of those who oppose You.

Yes, indeed, only the River of Life whose streams refresh the city of God, sanctifies it for Him; the Scriptures say, in fact they are Your Own Words, Lover of mankind, that if anyone loves you, he will keep Your Word and that Your Father will love him and that both of You will come to him and make Your abode with him. Lord, let me read out to You what
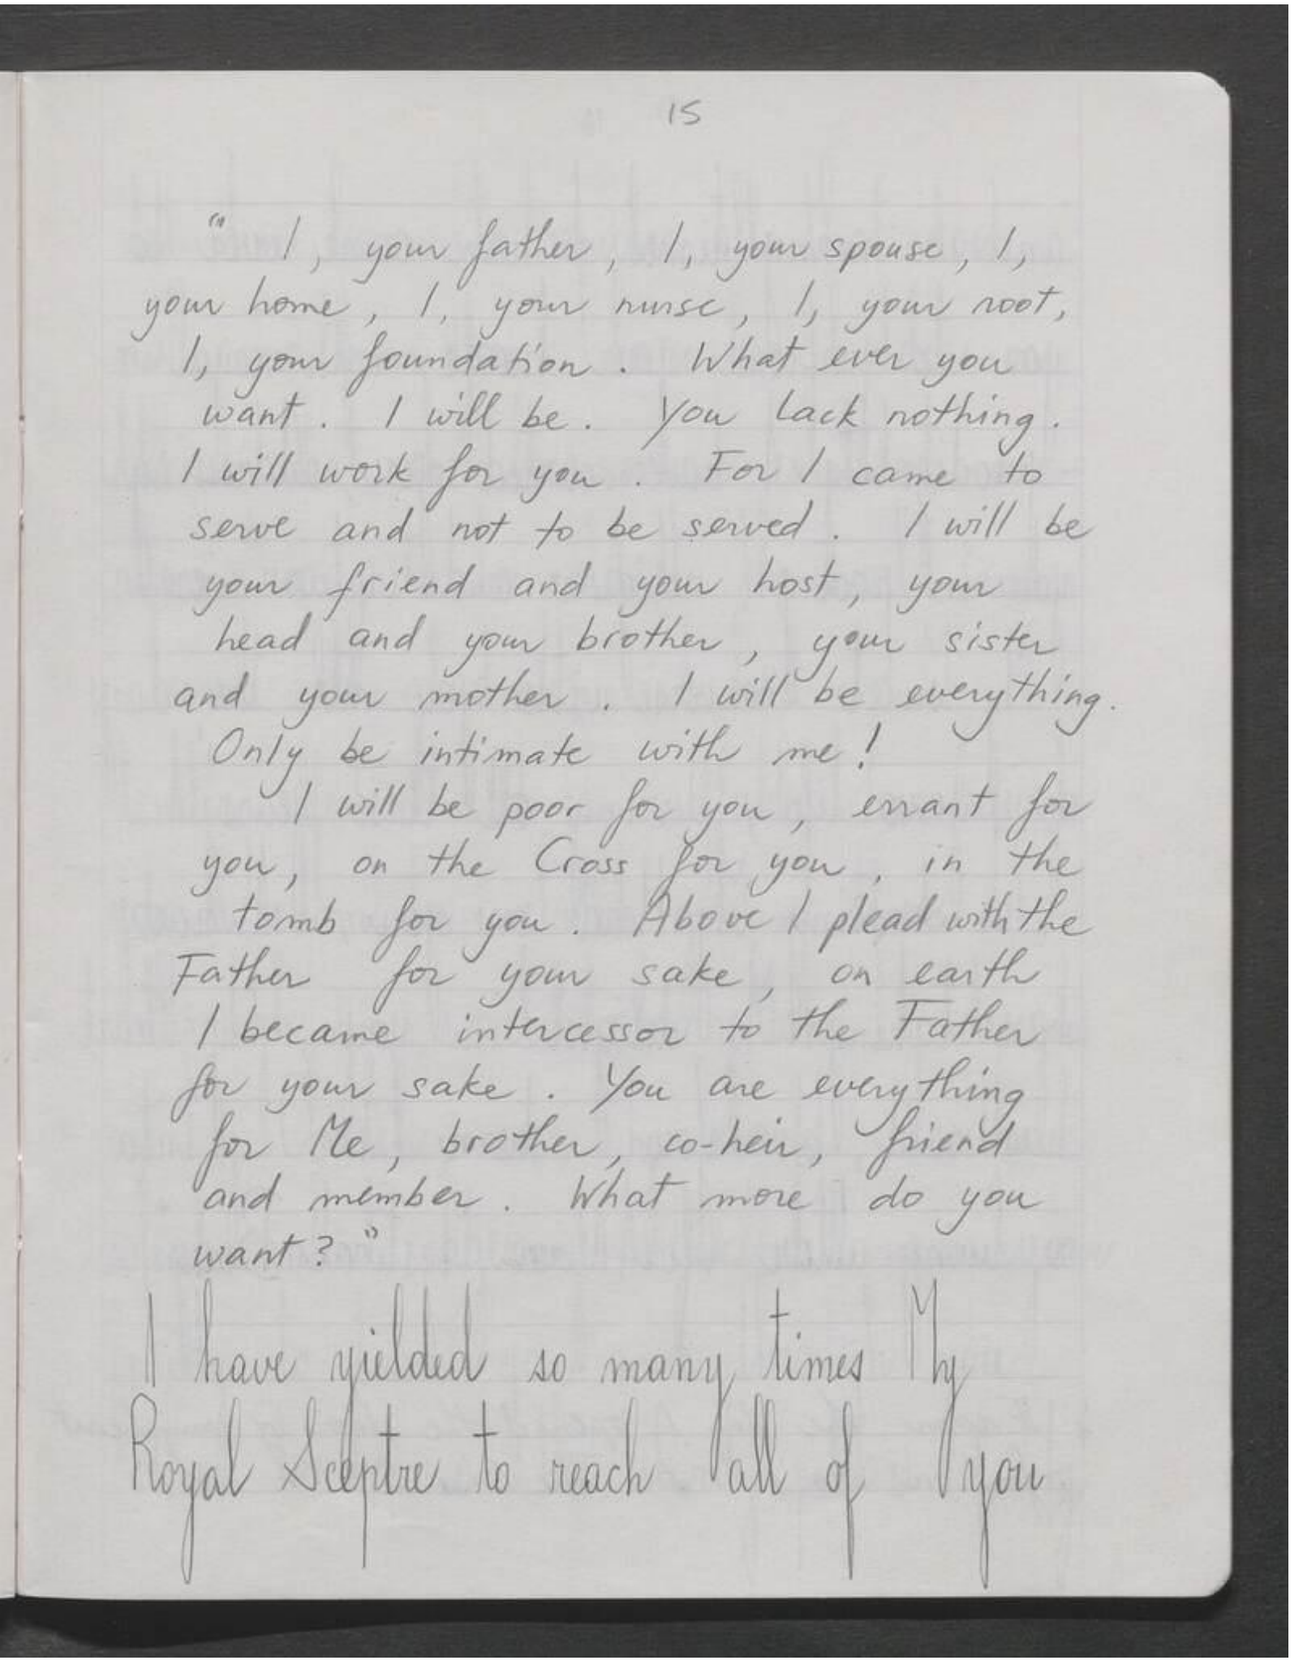
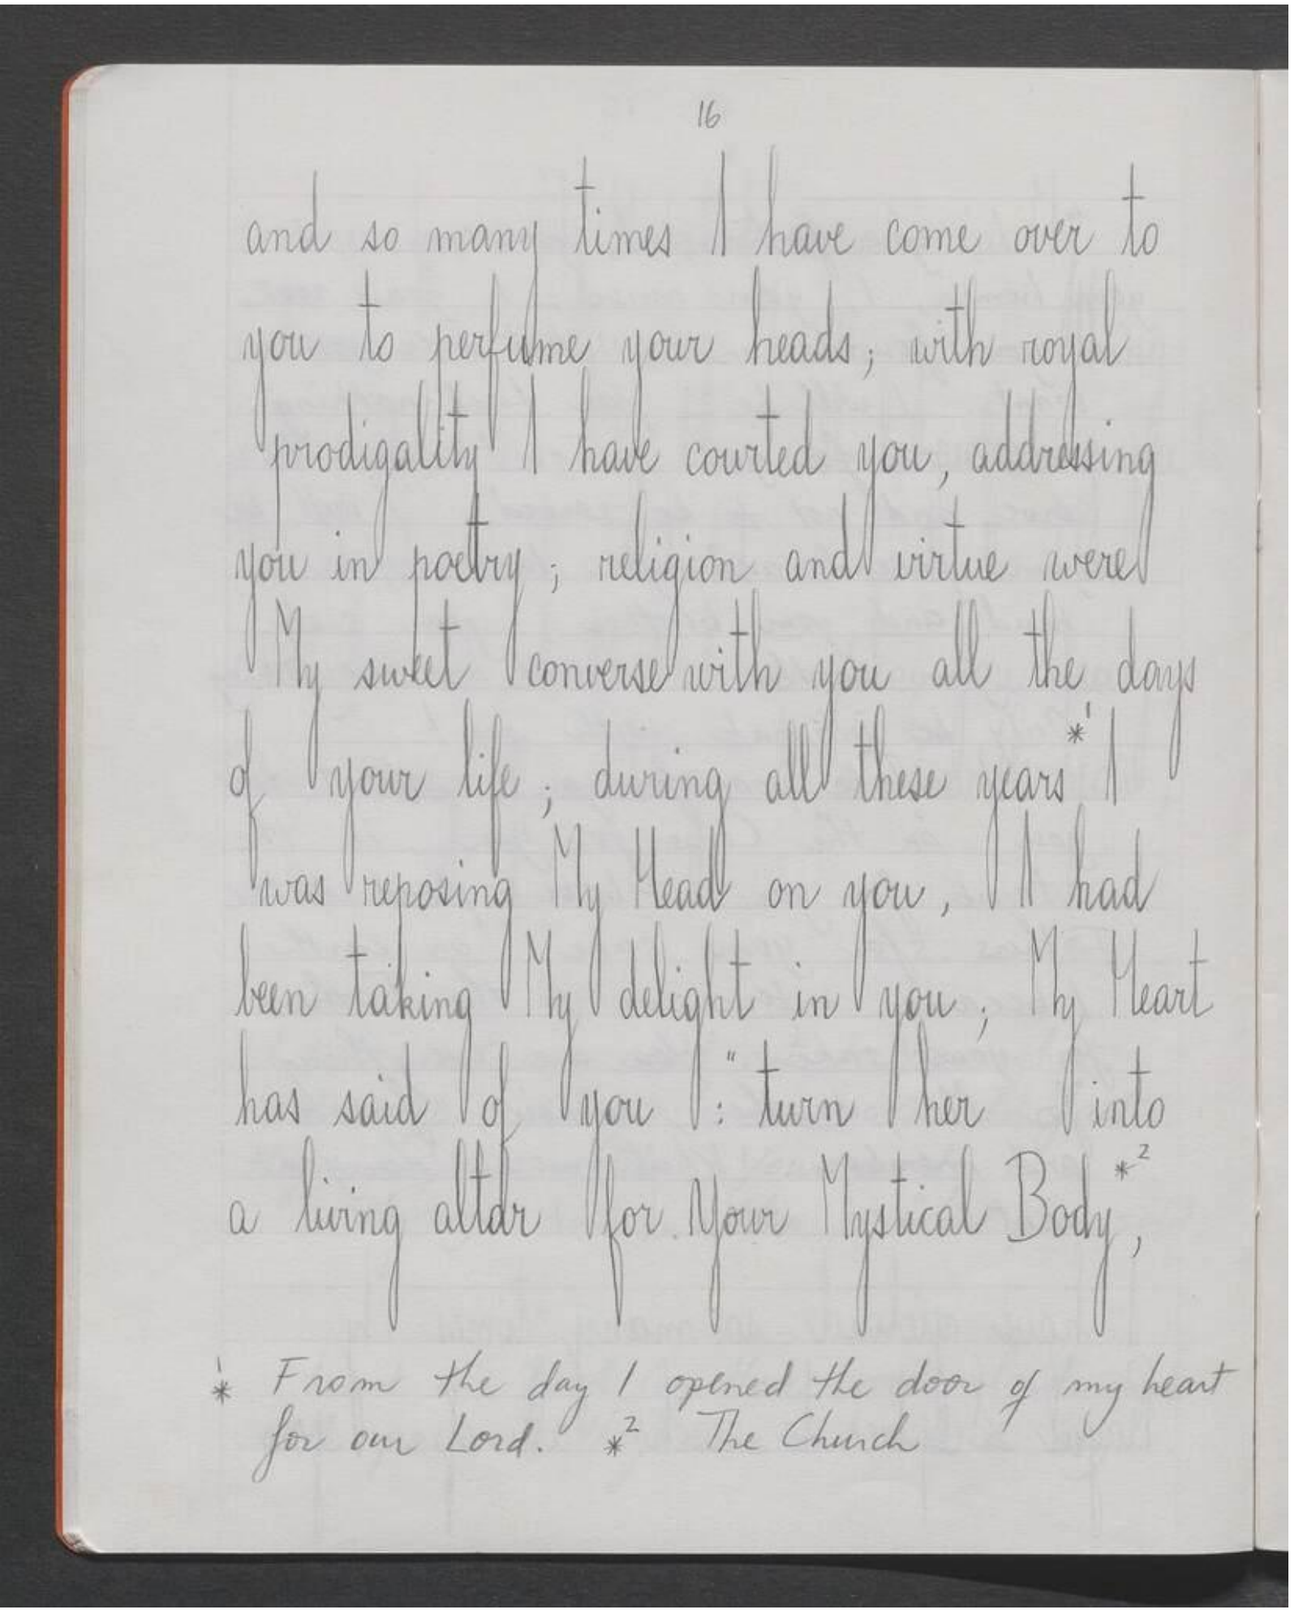
St. John Chrysostom wrote. In fact
they are Your words, Your words to us
through him; this is what You said:

*I heard our Lord say these words aloud and
with passion; they came out like a sigh



"I, your father, I, your spouse, I,
your home, I, your nurse, I, your root,
I, your foundation. Whatever you
want, I will be. You lack nothing.
I will work for you. For I came to
serve and not to be served. I will be
your friend and your host, your
head and your brother, your sister
and your mother. I will be everything.
Only be intimate with me!
I will be poor for you, errant for
you, on the Cross for you, in the
tomb for you. Above I plead with the
Father for your sake, on earth
I became intercessor to the Father
for your sake. You are everything
for Me, brother, co-heir, friend
and member. What more do you want?"

I have yielded so many times My
Royal Sceptre to reach all of you



16

the nations with largesse and with
royal prodigality;

The Spirit of God revealed to me
how one becomes a child of God; being
thus freed, we can now enjoy the same
freedom and glory as the rest of the other
children of God. The Spirit of Love
has unfolded in front of my eyes the

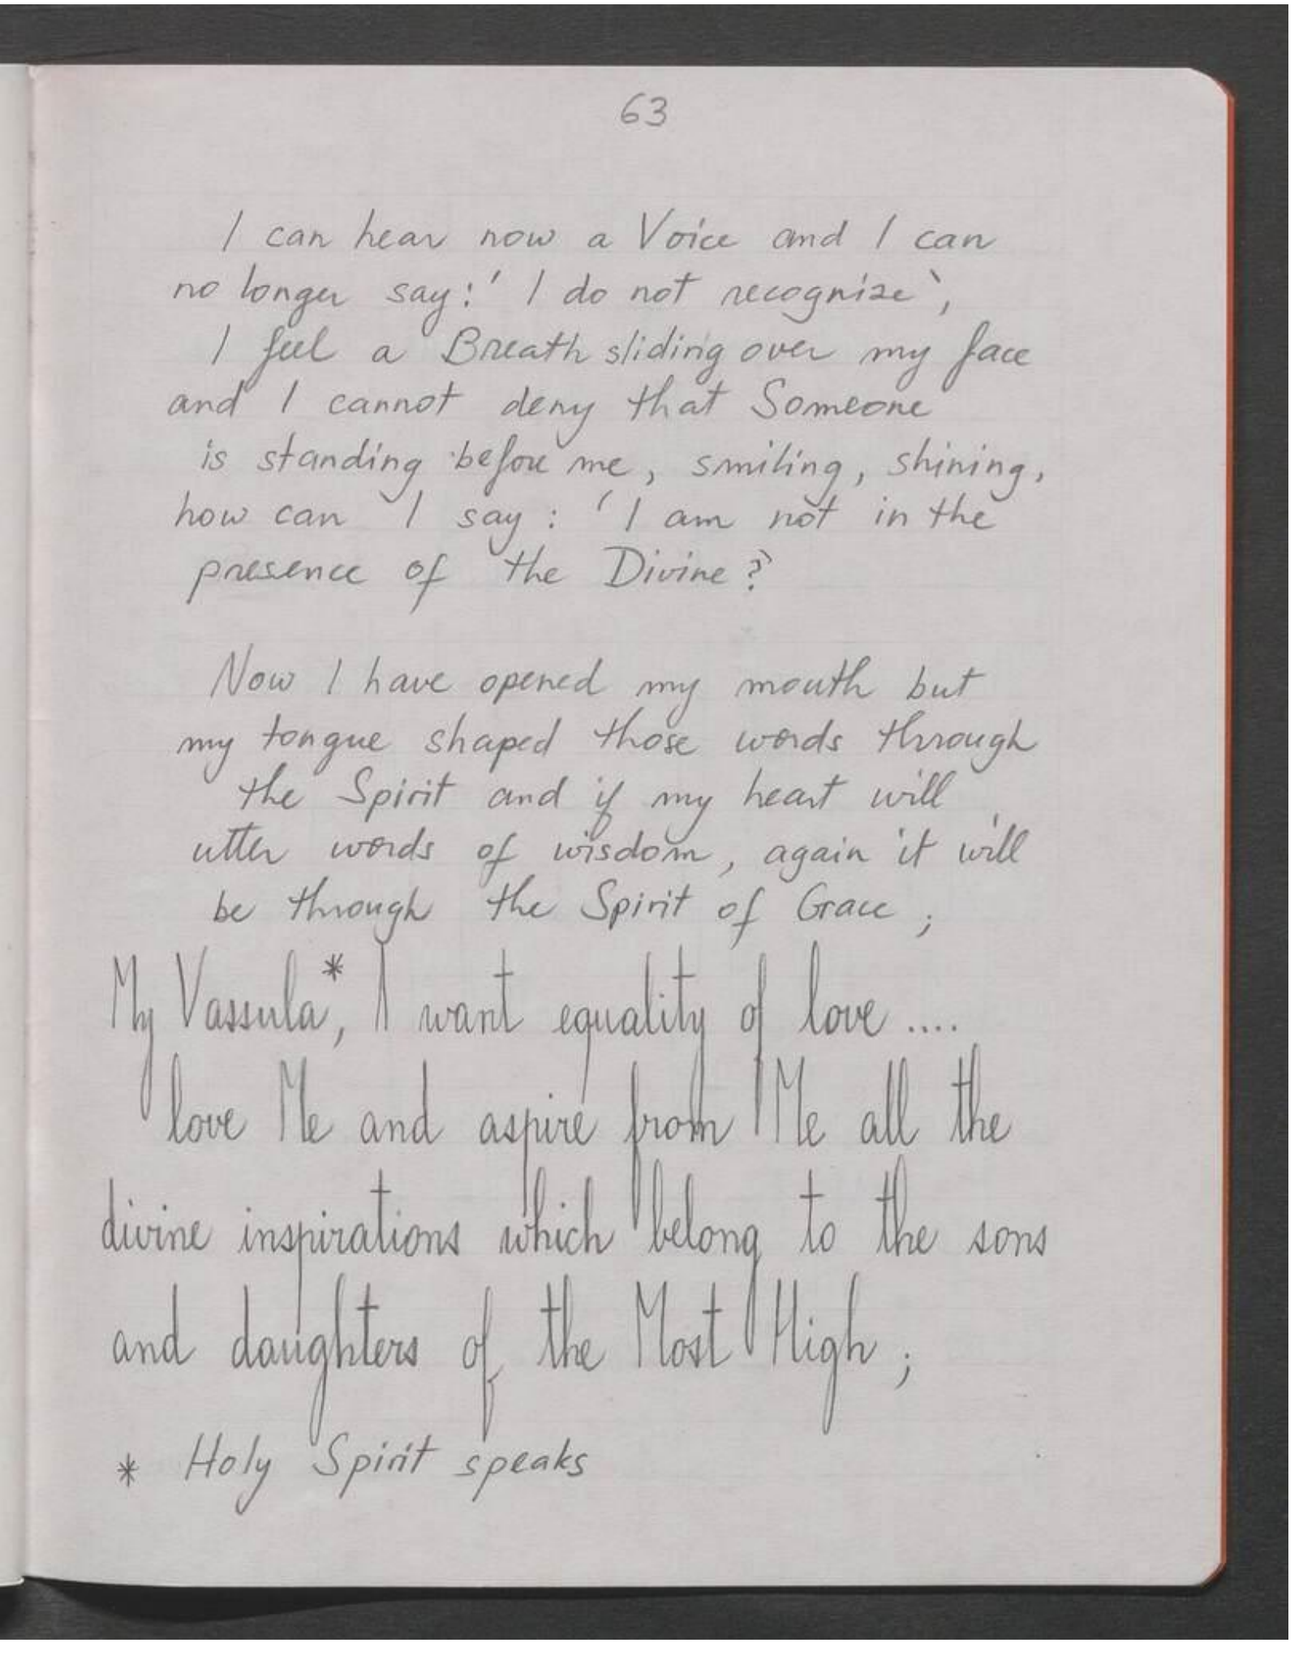
Glory of the Triune God with all
Their Splendour and Treasures.
And now I can say with tranquility in
my soul:
"The Spirit has captured my soul
and turned me into His belonging, and at
the same time gave me my real freedom.
In His Grace He offered me a
Royal Festival, He offered Himself to me;

Then, like a River, He flowed in me,
renewing me without ceasing, renewing
my union with the Triune God;

Supplier of all gifts, You have
given me Your friendly Flame
communicating with me in Person,
bringing me to the Father and to the
Son, uniting my soul to them as
well; Divine Flame of my heart,
You who transfigured Your abode
to Your taste to satisfy Yourself,
and satisfy me, I now shout for joy!



I can hear now a Voice and I can
no longer say: 'I do not recognize',
I feel a Breath sliding over my face
and I cannot deny that Someone
is standing before me, smiling, shining,
how can I say: 'I am not in the
presence of the Divine?'

Now I have opened my mouth but
my tongue shaped those words through
the Spirit and if my heart will
utter words of wisdom, again it will
be through the Spirit of Grace;

My Vassula,* I want equality of love....
love Me and aspire from Me all the
divine inspirations which belong to the sons
and daughters of the Most High;
